*Resolution.*—The Board is of opinion that Rule 131 (*e*) which lays down that the net proceeds of house tax and license fees in Unions shall be wholly appropriated for the purposes of the Unions, requires no alteration. They further opine that separate accounts should be maintained in the District Office showing the receipt, expenditure and the balance available at the credit of the Union and that the District Board should be under an obligation to meet from the above balance any expenditure which, on the recommendation of the Union, may be deemed by the District Board to be necessary and essential for the improvement and benefit of the Union.
